About the Application: Applications to the Factor-Inwentash Faculty of Social Work (FIFSW) must be submitted to the School of Graduate Studies (SGS) using an online application which is housed on a secure server at the University of Toronto. The online application allows applicants to manage and submit biographical and educational information, as well as specific documents (Written Statement, Resume, etc.) immediately to the University of Toronto. Applicants can edit an in-progress application and check the status of all documents submitted using a secure password and Userid. An email account is needed to complete the online application, as the University of Toronto will correspond with applicants using email.

Applications are considered complete and can be reviewed only after all documentation is received by the FIFSW (this includes reference letters submitted online by referees and official transcripts sent by mail). All documentation must be received at the FIFSW by the documentation deadline date of **December 11, 2017**.

How to Apply:

1. Log in to the online application.
2. Provide the biographical and education information requested.
3. Be prepared to submit contact information for your referees. Be sure to inform your referees that you are doing this and that the University of Toronto, School of Graduate Studies will be contacting them by email.
4. Submit your payment.
5. Arrange to submit official and scanned transcripts from each university and college that you have attended.
6. Be aware of deadline dates.

DOCUMENTATION REQUIRED FOR SUBMISSION THROUGH THE SGS WEB BASED ADMISSION APPLICATION:

2. **Reference Forms:** The University of Toronto, SGS online application system facilitates the online submission of reference letters. Detailed instructions are provided within the system. Three references are required and the reference template is available on our website. You will be asked to provide contact information for your referees, including a valid institutional/organizational email address, if available. Email addresses from generic email providers (e.g., hotmail, yahoo, gmail) will be rejected by the system.

Once you confirm your application by proceeding to payment, the system will send an email to each of your referees, who have a valid email address, inviting them to submit the completed form directly to the application database using a secure interface. The email will include reference instructions and the reference form. It is important to communicate with your referees well in advance of submitting your online application for admission to confirm contact information and ensure they are willing and able to provide a reference by the deadline date.

If a referee does not maintain a valid email address (and therefore submission of a letter of reference online is not possible), or if your referees cannot submit the reference online they may submit the reference to you in a sealed envelope with their signature on the back of the envelope; or they may mail the reference directly to the FIFSW, Admissions Office, University of Toronto, 246 Bloor Street West, Toronto, ON, M5S 1V4. **In cases where a referee does not have a valid email address, the applicant is responsible for submitting the reference template directly to their referee. References received in envelopes that are not sealed or appear to have been tampered with will not be considered.**

The Admissions Committee will only review three references. Personal references are not appropriate (e.g. relatives, friends). References must be from the following:

While answers should be fully developed, please limit the length of responses to **500 words per question**. **Please type in a standard 12-pitch font. Use separate pages (page break) for each question and include your name on each page.**

As a general rule, in responding to these questions you want to provide clear, concise, and sufficient information of a superior quality that will enable the Admissions Committee to assess your motivation, appropriateness and suitability for **this** MSW Program.

*Professional practice is broadly defined and can include interventions at various levels (e.g. policy development, administration, community, individual, family and group work).

- (i) What experiences motivate you to (a) become a social worker; or (b) continue your social work education?

- *Strengths and suitability for professional practice*

If you elect to submit the questionnaire, please submit it from the Document Status web page that is accessible after you have confirmed payment of your application.
