About the Application: Applications to the FIFSW must be submitted to the School of Graduate Studies (SGS) using an online application which is housed on a secure server at the University of Toronto. The online application allows applicants to manage and submit biographical and educational information, as well as specific documents (Written Statement, Resume, etc.) immediately to the University of Toronto. Applicants can edit an in-progress application and check the status of all documents submitted using a secure password and Userid. An email account is needed to complete the online application, as the University of Toronto will correspond with applicants using email.

Applications are considered complete and can be reviewed only after all documentation is received by the FIFSW (this includes reference letters submitted online by referees and electronic transcripts). Supporting documentation is due by: **December 10, 2020.**

How to Apply:

1. Log in to the online application – apply.sgs.utoronto.ca
2. Provide the biographical and education information requested.
3. Be prepared to submit contact information for your referees. Be sure to inform your referees that you are doing this and that the University of Toronto, School of Graduate Studies will be contacting them by email.
4. Submit your payment.
5. Be aware of deadline dates.

DOCUMENTATION REQUIRED FOR THE PRELIMINARY ONLINE SGS APPLICATION:

1. **SGS Online Application - Program Selection:**

SWMHSBCSW – (Specialist Co-op)

SWMHSBSSW - (Specialist)

2. **Application Fee:** The total application fee is \$125. Payment is made at the time of application online using only a Visa or Mastercard credit card. Applications will not be processed until the application fee is received. The system will not accept payment via Visa debit or Mastercard debit.

3. **TRANSCRIPTS OF ACADEMIC RECORDS - Online Submission:** The University of Toronto, SGS online application system facilitates the online submission of your academic record(s). Detailed instructions are provided within the system. Once you have confirmed your application by moving to the payment stage, the system permits you to upload your documents.

You are required to upload one **electronic transcript** from each post-secondary institution attended (CEGEP, College, University). Electronic transcripts must be up to date and include the “legend” which is usually printed on the back of the paper transcript. Please ensure that the file is complete and readable before submitting. More details are available on the SGS online system.

Note: if you are offered admission, we will require an official, paper copy of all transcripts, excluding the University of Toronto, to be submitted, and this will be a condition of admission.

4. **Reference Forms:** The University of Toronto, SGS online application system facilitates the online submission of reference letters. Detailed instructions are provided within the system. **Two references are required: one academic and one from a work/volunteer setting.** You will be asked to provide contact information for your referees, including a valid institutional/organizational email address, if available. Email addresses from generic email providers (e.g., hotmail, yahoo, gmail) will be rejected by the system.

Once you confirm your application by proceeding to payment, the system will send an email to each of your referees, who have a valid email address, inviting them to submit the completed form directly to the application database using a secure interface. The email will include reference instructions and the reference form. The reference template is available from our website.

It is important to communicate with your referees well in advance of submitting your online application for admission to confirm contact information and ensure they are willing and able to provide a reference by the deadline date.

If a referee does not maintain a valid email address (and therefore submission of a letter of reference online is not possible), or if your referees cannot submit the reference online they may submit the reference to you in a sealed envelope with their signature on the back of the envelope; or they may mail the reference directly to the FIFSW, Admissions Office, University of Toronto, 246 Bloor Street West, Toronto, ON, M5S 1V4. **In cases where a referee does not have a valid email address, the applicant is responsible for submitting the reference template directly to their referee. References received in envelopes that are not sealed or appear to have been tampered with will not be considered.**

PLEASE NOTE: The following Items should be submitted in electronic form only (PDF is preferred) by saving them to the SGS online admissions application. You will submit these from the Document Status web page that is accessible after you have confirmed payment of your application.

5. **MSW Program Application Form.** For your convenience, this form is available on our website.

6. **Resumé:** Please carefully consider the following guidelines for your Resumé.

(i) Your Resumé must clearly differentiate whether your experience has been paid, voluntary or through practica. Please list volunteer experience separately from paid employment. Include all experience, both Canadian and international.

| • Co-Op Placements | |

(iii) For each experience, you must include both the month and year, and total number of hours. For example:

Position Title, Organization, Dates (i.e.) May 2015 – August 2016 (640 hours)
Description of your role

Please be as thorough as possible in stating the month and year, and total number of hours. Omission of this information will lessen the applicant's probability of admission.

(iv) **There is no page limit to the Resumé.**

7. **Written Statement:** *The general objective of the MSW Program is to educate students for professional practice* within a framework of social work and social welfare principles, critical professional judgement, systematic inquiry, and ethical responsibility.*

The following essays form a critical part of the application, and will be a determining factor in the selection process. While answers should be fully developed, please limit the length of responses to **500 words per question**. Please type in a standard 12-pitch font. Use separate pages (page break) for each question and include your name on each page.

*Professional practice is broadly defined and can include interventions at various levels (e.g. policy development, administration, community, individual, family and group work).

As a general rule, in responding to these questions you want to provide clear, concise, and sufficient information of a superior quality that will enable the Admissions Committee to assess your motivation, appropriateness and suitability for **this** MSW Program.

- (i) What experiences motivate you to (a) become a social worker; or (b) continue your social work education?
- (ii) Describe your skills (e.g.: volunteer/ work) that you believe are relevant to social work (with examples). In particular, please describe your experiences working with diverse and marginalized populations.
- (iii) Describe your most substantial accomplishment and explain why you view it as such.
- (iv) Discuss how you believe a social worker could work with a contemporary social problem of interest to you.
- (v) How do you think that the Factor-Inwentash Faculty of Social Work MSW program can specifically benefit you and how do you think that you can contribute to the program? Please provide specific examples of how you will use your education in the future.

These factors will be considered in evaluating your written statement:

- *Ability to respond to the questions clearly and succinctly.*
- *Ability to demonstrate analytical skills.*
- *Experience (voluntary or paid) in the social services or related fields, and knowledge of critical social issues.*
- *Strengths and suitability for professional practice*
- *Complementary fit between the teaching faculty/field education resources and your learning interests/objectives.*

8. **Demographic Questionnaire - Optional.** The FIFSW recognizes that our Scholarship, Teaching and Educational Activities occur within a highly diverse societal context.
