The online application allows applicants to manage and submit biographical and educational information, as well as specific documentation, outlined below, immediately to the University of Toronto. Applicants can edit an in-progress application and check the status of all documents submitted using a secure password and Userid. An email account is needed to complete the online application, as the University of Toronto will correspond with applicants using email.

Applications are considered complete and are reviewed only after all documentation is received.

SPECIAL CRITERIA

In order to be considered for enrolment in this program, applicants must have work experience in any of the fields of social work, psychology, addictions, community intervention, nursing or traditional healing and medicines.

While this work may resonate with many people, preference will be given to individuals who have both addressed their personal trauma and have done work in the community in a capacity as noted above.

The application process will consist of two stages:

- 1. Review of the application documents;**
- 2. Interview for those applicants who pass through the application review stage.**

Commitment to community healing is a key factor in developing this program and potential learners will be considered based on their ability to identify a personal willingness to learn about themselves, a commitment to community wellness and readiness to take on pertinent projects.

How to Apply:

1. Log in to the online application. The link to apply: <https://admissions.sgs.utoronto.ca/apply/>

DOCUMENTATION REQUIRED:

1. **SGS Online Application:** Please select:

MSW - Social Work (Field: Indigenous Trauma and Resiliency)

2. **Application Fee:** The total application fee is \$125. Payment is made at the time of application online using only a Visa or Mastercard credit card. Applications will not be processed until the application fee is received. The system will not accept payment via Visa debit or Mastercard debit.
3. **TRANSCRIPTS OF ACADEMIC RECORDS** - You are required to upload one electronic transcript from each post-secondary institution attended (colleges, including CEGEP, and universities). Electronic transcripts must be up to date and include the "legend" which is usually printed on the back of the paper transcript. Please ensure that the file is complete and readable before submitting.

Note: if you are offered admission, submission of all academic official transcripts will be a condition of admission. Transcripts are considered official if received directly from the academic institution.

Please Note:

- **Transfer Credit Statement:** If you received transfer credits towards your undergraduate degree for courses completed at another academic institution, and if the number of transfer credits awarded do not appear on the transcript, we will require an official statement from the university confirming the number of transfer credits awarded. This document can be uploaded via the SGS portal, under the document labeled: **Additional Information**.
4. **Reference Forms:** The University of Toronto, SGS online application system facilitates the online submission of reference letters. Detailed instructions are provided within the system. Two references are required. The reference template is available from our website: <https://socialwork.utoronto.ca/admissions/msw-itr/msw-itr-application-procedures/>

The Admissions Committee will only review two references. Personal references are not appropriate (e.g. relatives, friends). References are acceptable from the following:

- Academic from a University course instructor
- Work, Volunteer Setting, or from a Practicum instructor/supervisor
- Traditional Teacher, mentor, or professional colleague

You will be asked to provide contact information for your referees, including a valid institutional/organizational email address, if available. The system will send an email to each of your referees, inviting them to submit the completed form directly to the application database using a secure interface. The email will include reference instructions and the reference form.

It is important to communicate with your referees well in advance of submitting your online application for admission to confirm contact information and ensure they are willing and able to provide a reference by the deadline date.

A valid institution or organization email address is necessary for a referee to upload their letter. Email addresses that are shared, anonymous, generic or not linked to an institution, organization or business are not acceptable (e.g. Gmail, Hotmail, and Yahoo!). We strongly suggest you choose a referee who has a valid institution or organization email address.

If an individual does not have a valid email address, look at designating a different referee. If (despite your best effort) absolutely no alternative referee with a valid institution or organization email address is possible, you can enter a non-institution or non-organization email address in the online admissions application (it is not necessary to contact us). Be aware this may delay review of your application as we must verify the authenticity of reference letters received in this manner. For every referee, enter a telephone number where they can be reached for our verification purposes.

PLEASE NOTE: The following items must be submitted in electronic form only (PDF is preferred) by uploading them directly to the SGS online application portal.

JOINid: Every applicant to the University of Toronto is assigned a JOINid. For graduate applicants, the JOINid gives early access to the online resources of the student housing office and the application site for the Ontario Graduate Scholarship program. When you receive this message from the School of Graduate Studies, at the time of application, be sure to save it as it will contain your personal JOINid.
