

Durham Children's Aid Society
320 Airport Blvd, Oshawa, ON L1J 0C6
Year 2 Practicum
September 2023 - May 2024

Practicum Description

The practicum will involve direct client interactions, assessments of risk and ensuring that child protection standards are being met. The practicum will include advocating for families in the community and finding resources to support successful family relationships. The practicum requires an individual that is self-motivated, has strong problem-solving skills and crisis management techniques.

Practicum Requirements:

- Vulnerable Sector Check
- Occasional visits that occur when children are out of school Monday to Friday. Students may be required to attend after school hours.

This practicum does not require any previous experience.

Please indicate whether this practicum will be in-person, remote or hybrid.

The practicum will be in-person.

Please indicate whether this practicum will involve direct work, indirect work or both.

The practicum will involve mostly direct, in the field experience.

This practicum is suited for students in the below fields of study:

- Children and their Families
- Mental Health & Health
- Social Justice & Diversity
- Indigenous Trauma and Resiliency *schedule may differ
