

**Unity Health Toronto - St. Michael's Hospital**

**Sumac Creek Family Health Team**

Location: 73 Regent Park Blvd. , Toronto, ON

Year 1 Practicum

Dates: January 10- May 31, 2024

**Practicum Description:**

The student will be working on a multi-disciplinary medical model team with a Family Health Team (FHT) at St. Michael's Hospital which is part of the Unity Health network. Students are required to deliver short term clinical and case management services to a diverse community of patients dealing with a wide variety of life issues, stress, anxiety, depression, grief/loss, trauma, life transitions etc., and connecting patients to outside resources as appropriate. The student will also get experience co-facilitating a group at the FHT according to population need and student interest. Students with a background in research will be welcomed to assist on any current FHT projects.

**Practicum Requirements:**

- Vulnerable Sector Check
- Immunizations per PHA guidelines
- Covid Vaccination
- N95 Respirator/Mask Fitting
- Travel by public transportation between home visits, or satellite offices, or community meetings, etc.
- Comfort working with the population being served
- Report writing and documentation

**Does your practicum require any previous experience? If yes, please specify.**

Yes – previous experience working in the mental health or health care sector required.

**Please indicate whether this practicum will be in-person, remote or hybrid.**
