**40 College Street, Toronto, ON M5G 2J3**

Year 2 Practicum

September 2024-April 2025

**Please provide a description of the practicum site and student activities:**

Victim Services Toronto (VST) provides trauma-informed support and advocacy in the moment for any person in Toronto who has experienced crime or sudden tragedy. We work to prevent violence through community engagement. Our vision is a thriving community where people are safe, supported and empowered.

Students will participate in practical training and direct practice activities working side by side specialized anti-human trafficking case managers in office to provide short-term case coordination and intervention services to caregivers, families, and victim/survivors of human trafficking. Students will receive referrals from internal/external programs and community partners, conduct short and long-term needs/safety assessments, safety planning, advocate and assist clients in accessing and navigating health, social services, and justice systems and provide practical assistance to clients over the phone and face to face.

Students will have the opportunity to participate in indirect practice activities such as resource development, research, and various internal committees.
