

Victim Services Toronto, Project Recover

40 College Street, Toronto, ON M5G 2J3

Year 2 Practicum

September 2024-April 2025

Please provide a description of the practicum site and student activities:

Victim Services Toronto (VST) provides trauma-informed support and advocacy in the moment for any person in Toronto who has experienced crime or sudden tragedy. We work to prevent violence through community engagement. Our vision is a thriving community where people are safe, supported and empowered.

Students will participate in practical training and direct practice activities working side by side Financial Recovery Advocates to engage with human trafficking survivors in determining their illegitimate financial debt incurred during and in result of human trafficking. Students work will include financial liaising with creditors, connecting to resources, financial goal setting and linking survivors to support services. Administrative functions include data collection, data entry and case documentation.

Students will have the opportunity to participate in indirect practice activities such as resource development, research, and various internal committees.
